Can good restock dropoff and mixer at Frank & Helens Pizzeria 4-7pm

This is the time of year when food pantries enable hundreds of families to have wonderful holiday dinners by giving and serving meals. This generous act most often depletes their inventory. In continuing the spirit of giving, the Alumni Association would appreciate you taking a minute to drop off any non-perishable food item or can good at Frank & Helens and come in socialize and have 1/2 off select appetizers and discounted pitchers. Frank & Helens, 8111 Olive Blvd., 63130. Thanks in advance for your participation.

More Class Ambassadors/Representatives Needed

The Alumni Association thanks all of you who are diligent and informative class ambassadors, but we want all classes represented and in the loop. Many classes do not have representatives/ambassadors. We would like each class to have two, but one is better than none. Why do we need class representatives? Many times class representatives are the reunion planners for their class and are well connected to their class by email, phone numbers and physical addresses. With this information shared with the Alumni Association and the Alumni Association sharing our 20,000 plus classmate database, everyone is contacted and informed. In this position you are not required to attend meetings but of course you may if you like. We simply ask that you: 1. share with us your class' upcoming activities including reunions, 2. let us know how we can assist you in the planning of your class activities, 3. share your collected addresses, email addresses, etc .to be added to the database, 4. forward Alumni Association activities to your class and 5. have a great U. City Alumni spirit. If you think this may be of interest to you, please email or call me anytime and we'll get it going.

Welcome new secretary!

The UCHSAA welcomes Marilyn Ray-Williams '83 as our new secretary. Thank you Marilyn for your zealous support.

We are anticipating 2009 to be a great year of growth and diversity for your Alumni Association, but we can't do it without YOU. Consider getting involved if even for ONE event. Let us know what you would like to see the Alumni Association do for you, the district or the community. We can make this a great organization for all but not without YOUR SUPPORT AND INTEREST.

Have a fabulous New year!!
